**Commissioner for Patents**

The supplemental examiner's amendment to the examiner's amendment mailed on 12/29/2004 appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. This supplemental examiner's amendment is in response to applicant's representative Mr. Arnold Turk's request during the telephonic interview on 02/04/2005.

Mr. Turk stated that the examiner's amendment mailed on 12/29/2004 contains one typographical error in line 3, another typographical error in the last line of claim 8. The format used by the examiner in the examiner's amendment mailed on 12/29/2004 indicates that those two typographical errors that are not intended to be changed from the last claims set applicant provided since there is no mark for changes for those two typographical errors.

To correct the two typographical errors in the examiner's amendment, the application has been amended as follows:  
Claim 8, line 3 "executer" has been changed to "executor", and in the last line "Hungtington-binding" has been changed to "Huntington-binding".
